My Christmas Wish
My Christmas wish is that my Elf
on the shelf flies safely back to the
North Pole. I wish that my teacher will
get a nice gift. I hope that my family
and I will have a lovely Christmas
together, playing games, eating, watching
movies and opening presents.

My Favourite Christmas Memory

Every Christmas I love putting up the Christmas tree. This Christmas my elf was in my Christmas stocking. He is a naughty elf. Last Christmas Santa bought me a lot of presents. My dog, Nowh, has no toys so I am going to ask Santa for a present for him this Christmas.

My favourite Christmas Memory
Last Christmas I wrote to Santa
and asked him for my favourite
toy, a LOL doll. I was the happiest
girl in the world when I saw
that Santa had got it for me.
I was playing with it every
day. I loved it so much. I got
three LOL dolls. They have
bottles and you can put
water in them to feed them.
They are so soft and
squishy. It was the best
Christmas.

My Christmas Wish

This Christmas I wish for a teddy because they are fluffy and cuddly. I also hope Santa brings me an art set and some headphones. I would like a toy for my dog because my dog only has one toy. I will have to be really good for Santa to make all my Christmas wishes come true.

My Christmas Wish
This Christmas I wish that
Santa will be able to deliver
all of my presents to me. I
hope I can go to the
basketball blitz and cheer
for Scartaglen and St. Marys.
I hope I will get to see
lots of games this year.
Hopefully I will be able to
go to the shop and buy lots
of sweets to treat myself this
Christmas.

My Christmas Wish

This Christmas I hope I'll get a new Nintendo switch and the new Kerry jersey. I would love a ps4 and a new

Emma:

My Christmas Wish
My wish for this Christmas
is that my cousin comes home
for Christmas. I have not seen
him in such a long time.
I hope that my Elf will make
it back to the North pole.
Last Sunday we put up our
Christmas tree and Christmas
lights. We also put up the lights
on the trees outside. I wish
this will be our best Christmas
yet!

My Favourite Christmas Memory
Last Christmas I really wanted a special toy. It was a real classic. I wrote to Santa and asked him for it. I couldn't wait for Christmas day to see if he brought it. I could play with this toy outside. It would be the best present ever. It was a blue remote control car. It could go super fast. It had three wheels and it could even drive with one of the wheels in the air! That was awesome. It was my favourite present ever.

The Adventures of my Elf
Last year I had a very adventurous
Elf. He arrived in the toyroom,
hanging from the window with raisins
in his hand! The next day he jumped
on the Christmas tree and the
following day he landed on the island.
I have even found him in my
bed room and my sister Brids
room. I never know where
he wold turn up next!

My Favourite Christmas Memory

My favourite Christmas memory is from the year I saw a picture of Santa in my house. My sister was so surprised, we couldn't believe our eyes. I knew it is Christmas time when I get to visit Santa, Mrs Claus, the elves and all Santa's reindeer. Every Christmas I look forward to putting up the Christmas tree and the Christmas lights. I love when I am allowed to eat the tasty Christmas cake and I can't wait to wear my Christmas jumper every Christmas.

A Christmas Memory
My favourite Christmas
memory is the year we
spent Christmas with
nan. Nan let me help
stuff the turkey, set
the table and pull
the crackers. I had a
great time that Christmas
with nan and all my
family.

Santa Claus' Adventure
I wonder how Santa gets around
the world in one night. He
must be very fast. I
think his elves and Mrs.
Claus must help him. It
must be hungry work
getting around to all of
the houses, that's why we leave
yummy treats for him to eat.

The Adventures of my Elf
My Elf Ben arrived this Christmas and he
has been causing a lot of trouble.
One day he was a greedy guts and he
ate a whole box of chocolate and another
day he was eating a banana. We have
found him in the coffee machine and on a
reindeer. The time we went to see
Santa, Ben had wrecked the house
when we came home. My Elf Ben is
always on an adventure.

My Christmas Wish

My christmas wish. This christmas I wish to get a basketball ring from Santa and a surprise. I would love if my surprise was an xbox or a Manchester United jersey. I can't wait to eat christmas dinner with all my family and race to the sitting room on Christmas day to open my gifts.

My Favourite Christmas Memory
this Christmas I loved visiting
Santa in Limerick. I went with
my mom and my sister Zoe and
we stayed in a hotel. When
we got there we were feeding
the reindeer and we went for
a ride on Santa's sleigh.

We made cookies with Mrs.

Claus. We got to have fun
adventures with the elves. I
hope Santa is able to bring
me everything I asked for this
year.

My Favourite Christmas Memory

Last year I was relaxing at home when mom announced that we were going to see Santa. Mom, Dad, Alex and I hopped into the car and off we went.

When we got there it was so cold! I met Santa and his helpers in the cabin. I was delighted to hear that we were on the nice list! He gave us a little present and we couldn't wait to go home and open them!

The Adventures of my Elf
 My Elf Coco arrived this Christmas.
 She has been up to no good ever
 Since she landed in Scartaglen.
 She can be naughty and nice. One
 day we found her in a marshmallow
 box, another day she was in the fish tank.
 We have found her eating grapes, up on
 the press in the bedroom,
 on the Christmas tree and even
 on the fireplace! Every day is
 an adventure with Coco.

The Adventures of my Elf
This Christmas my Elf arrived
with a note introducing
himself. His name was Herrick
and the note said I had been
very good this year. The first
day he arrived he opened the
Advent Calendar and on the
second day he poured flour all
over the kitchen. And one day he
was using toilet paper to climb up to
the television. He was a naughty elf
I love waking up seeing what
adventure he will be up to next.

The Adventures of my Elf

My Elf is very, very naughty and nice. He even brought me an Adventcalender. He did the splits on it. Yesterday he was playing draughts with my decorations. They moved and played with him. He gave my mom and dad an Adventcalender too. He was dressed as a Snowman! When that happend. He made a "Shoe shoe" train and he was sitting in my shoe! Then he was Stinky so he went for a marshmallow bath. I ate all the marshmallows! The next day he was in crutches. My Elf Buddy has had an exciting time in Scartoglen.
