Remember to buy goat Incs new Christmas special. Santa's psycho karaoke One day, Santa was practicing his Christmas karaoke and it was so bad that it came alive. And it was evil, very evil 🐉. It chased him around the North Pole. Santa jumped behind the boot of his sleigh. Quickly he turned the sleigh key and crashed into the karaoke. THE END

The Great Christmas

One fine Christmas, the Mahoney family was fast asleep, when Taylor their dog heard a noise. Taylor slept in Sarah's room. Taylor started barking. Sarah woke up and heard the noise too. Then her brother AJ heard the noise and ran into Sarah's room. "Sarah, I hear a noise like bells." "It's ok AJ I heard it too and so did Taylor. Come on, we will wake up mom and dad." Ok Sarah, but we have to be quiet. I still hear it. I do too AJ. Mom, dad wake up. What is that noise AJ and why are ye up? It is Zam, mom we hear a noise like bells. Taylor heard it too, I hear it as well and I do too said dad. Ok everyone, be very quiet when we go down stairs. It's Santa. We went down and then he was gone. The end

By Seán O Connor

One day in the elfish kitchen there were mince potatoes 🥔

Meanwhile in the elfish palace an elf smelled a smell that could only be...Mince Peppers!!! Which everyone knows is an elf's favorite food. The elf went into the elfish kitchen and saw the Mince Spy! And he wasn't eating mince peppers he was eating mince potatoes 🥔 and it turns out the elf had...**A POOR SENSE OF SMELL**
