Santa's job

Santa has one job but i / big job. He does it once a d in the whole wor is to bring presents to I woke up on C ristma said to mom I'm nta" said mom. "So wha know no one ha loads of coffee even the I don't like it and I'll eat lo you can stay up" mom said with a smirk on he were going to bed. Alanna started crying cos m told her that I ha to watch this program for school. So Alanna w <u>as now eleven mom</u> and dad went to bed I told them I'll see them in nade my cup of coffee and nergy bars. I was getting really tirec ow. 0000E

I heard on the roof of my house. It was him the man himself Santa . He looks a lot different than I imagined. He said what are you doing out of bed. I said "waiting for you." "I'll tell you what I do and then I'll go". So I sat on his lap and he started the story. "My job is to make toys for children. I know what you want every year". "So why do we write to you "I asked. "Good question you do that so ye feel good and know that I know. Then I put all the toys on my sleigh and give them to ye. So go to bed now and I'll put the presents under the tree." "Ok bye

And I never saw him again.
